Call for Papers

Dear Colleague,

EPE-PEMC Council in co-operation with EPE - European Power Electronics and Drives Association and with the IEEE Power Electronics Society are pleased to announce the 15th International Conference EPE-PEMC-ECCE 2012 NOVI SAD part of the IEEE ECCE (Energy Conversion Congress and Exposition) Worldwide Series.

Submissions

Paper submissions: Prospective authors are kindly invited to submit their manuscript in the form of 3-5 pages Synopsis using On-line submission system.

Special Session Proposals: Proposals are sought from those wishing to organize a special session. A special session consists of five papers, which should present a unifying theme from a diversity of viewpoints.

Tutorial Proposals: The Conference Committee intends to arrange tutorials to be held prior to the Conference, and solicits proposals for appropriate subjects.

Exposition-Industry

Exposition: The industry, small and medium companies, publishers, public companies, associations and others are invited to present their products and their programs, enhancing exchanges between academia and industry.

Industry sessions: The industry partners/sponsors of the conference will have opportunity to participate in an industry sessions.

Industry-Students Forum: A special contact sessions will be organize in order to meet students with industrial partners

Language: The official language of the conference is English, both for the publications and for the oral presentation.

The submission of papers, proposals for tutorials and special sessions will be done electronically through the EPE-PEMC 2012 ECCE Europe web site, where you can find detailed information on submission procedures and preparation of proposals.

EPE-PEMC 2012 ECCE Europe NOVI SAD proceedings will be entitled for publication in the IEEEExplore and Engineering Index (Ei) Compendex databases. In order to ensure compatibility of the systems, authors are asked to follow the IEEE guidelines offered through the conference web site.

Sponsors

Industrial sponsors

Conference Topics

1. Semiconductor Devices, Packaging and Integration
2. Power Electronic Converter Topologies and Design
3. Control of Power Electronics Converters
4. Electrical Machines and Actuators
5. Adjustable Speed Drives, Motion Control and Robotics,
6. Power Supplies
7. Sensors, Measurement and Observation Techniques
8. Power Electronics in Road Vehicles
9. Power Electronics in Aerospace, Marine and Railway Transportation
10. Power Electronics in Electrical Energy Transmission and Distribution
11. Power Electronics in Conventional and Renewable Energy Generation (Rotating and Linear Generators)
12. Power Electronics in Non-rotating Power Generation and Energy Storage
13. Active Filtering and Unity Power Factor Correction Circuits
14. Education
15. Related Topics

Put these key dates in your diary

Submission of Synopsis (3-5 pages):

15 January, 2011 — 22 January, 2012

Submission of papers for special sessions and proposals for tutorials:

15 January, 2011 — 22 January, 2012

Notification of provisional acceptance:

26 February, 2012

Submission of final manuscripts:

27 May, 2012

About Novi Sad – Conference venue

Novi Sad is the capital of the Autonomous Province of Vojvodina and Serbia's second-largest city.

Its municipal population is over 370,000. The city is located on the banks of the Danube River and Danube-Tisa-Danube Canal, while facing the northern slopes of Fruška Gora Mountain. Since it was founded in 1694, Novi Sad became the centre of Serbian culture and earned its nickname Serbian Athens. Today, Novi Sad is a large industrial and financial centre of the Serbian economy; and it is also one of the biggest construction sites in the region. It is also well-known as a multiethnic and multi-religious city, with quiet and peaceful streets and high level of tolerance. The climate

Technical cosponsors

in Novi Sad is moderate continental, with an average daily high temperature 23.7° (77°F) and low 11.2°C (56°F) in September.

Novi Sad is in the Central European Time (CET) zone (GMT+1 hour).

The official monetary unit is Serbian dinar (RSD), with the exchange rate (floating) 1 Euro = 100 RSD, 1 USD = 70 RSD (Oct. 2011).

Novi Sad area code for international calls is: +381 21.

The conference will be organized in Master Conference Centre, a modern facility with large exhibition area.
